DISCRIMINATION REMOVED.

In deference to public opinion the Central Pacific Railroad now carries Eastern freight to Stockton, at the rates charged merchants in San Francisco, San Jose and Marysville. For years, Stockton has occupied a position closely akin to that of Reno. The railroad company have unjustly discriminated against both places, and it is because of the unjust discriminations and oppressive exactions practiced upon the people of Nevada that that corporation is in such bad odor. Had they pursued a liberal policy toward the people of Nevada they would be blessed to-day, instead of cursed, as they are. We but echo the sentiments of nine-tenths of the citizens of this State when we say they are not opposed to railroads—are as much in favor of corporations having their rights as the lowest in the land—but they are decidedly opposed to being continually subjected to the spite or caprice of a few men who have grown immensely rich at the expense of the public granary. It is this that they cry out against; it is this they insist be discontinued; and they are right. So far as Reno is concerned she would be content to pay through rates, if by so doing her freight from the East could be landed at her door. She asks nothing better. But she does hate to have her goods carried on to Sacramento, then brought back, and then find it cheaper by all odds than to have it come direct from the East. If the railroad company will do the fair thing by Reno, as they have by Stockton, we will be among the first to assist in cementing bonds of friendship between Reno and the railroad company.

CHANGE OF SCHEME.

It is said that the managers of the Texas-Pacific Railroad scheme contemplate a change of programme for the next Congress. This consists of the withdrawal of Tom Scott and his Northern associates from the corporation, and the election of Southern Democrats to their places. The South, in Congress, irrespective of party, is almost unitedly committed to the scheme. It is expected that the accession of Southern Democrats to the management, will result in commanding the influence of Northern Democrats in Congress. Tom Scott is said to approve of this programme: and will be reimbursed for all his expenses. The managers of the enterprise are confident this change of programme will insure success.

**AN EXTENSIVE KISSING.**—Beecher kissed Tilton and Moulton, and they kissed each other. Mrs. Tilton came in and found Beecher sitting on Tilton's knee, and she kissed, not her husband, but Beecher. Mrs. Moulton gave Beecher a kiss of inspiration, and said she believed he was a good man. Beecher looked up in her face and said he was a good man, but he did not think it prudent to return the kiss. The trial seems to be becoming the broadest kind of a farce.

**OUT OF THE FIELD.**—The people of Nevada are to be congratulated on the retirement from the journalistic field of the State of R. D. Bogart, late of the Virginia Evening Chronicle. Bogart's pen pervaded to sacred retreats of home, penetrated the private character of honorable men, and was run entirely on the sensational order. We have not the pleasure of an acquaintance with Mr. Sands W. Forman, his successor, but it is a pleasure to his salutary we should consider it an honor to become acquainted with him.

The body of Dan Bryant, the minstrel, was buried with great ceremony in New York Wednesday. The theaters will give a series of performances for the benefit of his destitute family.

The Louisiana Legislature quietly assembled Wednesday.

Mail contractors in the Mississippi Valley are sub-letting mail contracts. One man in Kansas offers to let sixty-five routes.

The Postmaster General has dismissed all the clerks implicated in the lately-discovered postal frauds.

Ten thousands miners are idle in one county in Pennsylvania, but they, with thousands of others, are determined not to commence work unless their demand for an advance of ten per cent. in wages is complied with.

The Anti Slavery Society of Philadelphia celebrated its centennial on Wednesday.

Gen. Alex Shiras, of the United States army, died Wednesday in Washington.

Eight negroes were drowned by the upsetting of a boat in Norfolk harbor Tuesday night.

The Newmarket handicap was won on Wednesday by St. Ledger.

The Government journals are full of tranquilizing assurances in regard to Prussia's relations with foreign Powers.

France has contracted for 10,000 horses in Bohemia.

A slight success is announced for the Carlists.

The Turks of Roumania are accused of having killed three hundred Christians within the last three months.

In the Upper House of the Prussian Diet Wednesday, in a debate over a bill withdrawing State grants from the Roman Catholic clergy, Bismarck said he was no enemy to the Catholic Church, but only the enemy of Papacy, which had adopted the principle of extermination of heretics, which was in enmity both with the Gospel and the State.

The Apaches are killing and robbing the people of Sonora, Mexico, again.

One-tenth of the Frederick mine, near Prescott, Arizona, has been sold for \$40,000.

The Marysville and Downieville stage, with a full load of passengers, was stopped near the Oregon House Wednesday by a single highwayman and robbed of \$5,500.

The Republican and Democratic committees were Wednesday in session in San Francisco, arranging for the coming struggle. The Republicans will hold their State Convention June 10.

**NOR GUILTY.**—John D. Lee, who was recently arrested for being the alleged leader of the mob that murdered the emigrants at Mountain Meadows, Utah, on the 16th of September, 1857, is on trial for that offence now and has plead "not guilty." He has been kept in prison during the trial.

DOUGLAS COUNTY AFFAIRS.

The County Commissioners of Douglas county, Messrs. Taylor, Boles and Frevert, are very justly proud of the present financial condition of the county. It is entirely free of debt, and there is coin in the treasury. The taxes levied for this year are in all \$2 70. They have the best Court House and jail in Western Nevada. The Commissioners spare no pains in making everything count. The county building is as clean as paint can make it. The Recorder Furth's office is a large fire proof safe, in which are kept all the county records and other important documents. The citizens of Douglas may thank their lucky stars for the selection made of the gentlemen who manage the county affairs.—*Carson Tribune.*

The Empress of China wears trousers.

An assessment of \$1 per share is levied by the Baltimore Consolidated Company, delinquent May 19th.

John Dunn has received the appointment as Superintendent of the Justice mine, to fill the vacancy occasioned by the death of T. F. Smith.

About 700 cords of wood a day are taken out at Empire. If less is taken out, it is because of the wind blowing up the Carson river, thereby preventing it from floating down well.

The buds on the fruit trees about Silver city and Dayton were so far advanced, that it was feared they were injured by the late frost. An examination, however, has proved that they are all right.

A few nights since the saloon of Matt Ebner in Dayton, was broken into by burglars, who stole \$4 50 in coin and \$50 worth of cigars. Several suspicious characters are about the town, some of whom recently arrived from Virginia. A strict watch is kept upon their movements.

The prize fight between Bing Williams and Jim Chatham, is in the hands of Tom Daley, the pugilist, and is training at the race course, four miles north of Virginia city. He is in excellent condition and will be in readiness for the combat when the time arrives. Williams is also hardening his muscles by a severe course of training, and is already up to the standard. The favorites of each man are confident of his winning the fight.

APPLICATION FOR PATENT.

NOTICE NO 270.

U. S. Survey No. 37.

**U. S. LAND OFFICE, CARSON CITY, Nevada,** April 9th, 1875—Notice is hereby given that the Willow Creek Silver Mining Company, a corporation, has by its Superintendent Jan. Morgan, whose postoffice address is at Washoe City, Washoe county, Nevada, made application for U. S. patent to fifteen hundred (1,500) feet of a certain lode or vein of quartz or other rock in place bearing gold, silver, copper and other metals, commonly called and known as the Union Lode and the Willow Creek Silver Mining Company's claim, Galena Mining District, Washoe county, Nevada, extending fifteen hundred linear feet along the line of said lode in a southerly direction from post No. 1 the point of location, and embracing the same with all its dips, spurs, angles and variations with surface ground six hundred (600) feet in width and described on the plat and field notes on file in my office as follows, to wit:

Beginning at post No. 1 whence southeast corner of section 12, township 17 north, range 19 east, Mount Diablo Base and Meridian bears south 21 1/2 degrees east, 736 feet, mouth of tunnel bears north 72 1/2 degrees west 1170 feet (said tunnel runs south 22 degrees 3700 feet) and runs from said post No. 1, 1st course north 84 degrees west 500 feet to cut in croppings 600 feet to post No. 2, thence 2d course south 56 degrees west, 1500 feet to post No. 3, thence 3d course south 34 degrees east 600 feet to post No. 4, thence 4th course north 56 degrees east 1500 feet to post No. 1 the place of beginning, containing 20 (66-100) acres, bearings from the true meridian variation 15 1/2 degrees east.

The improvements made upon this claim by the applicant or its grantors consist of the cuts and tunnel heretofore mentioned, upon which they have expended not less than five hundred dollars. This survey was made in accordance with record of location. This claim is bounded by no known claimants. The location of this claim is recorded in Book A, pages 78 and 79 of the mining records of Galena Mining District, kept at the office of the Mining Recorder of Galena Mining District at Reno, Washoe county, Nevada.
